

Gold Leaf Lettering

Add the refinement and brilliant color of real gold to a monument. Each individual letter is hand coated with a thin layer of 24 karat gold leaf, catching the light in a way that traditional letter hi-lite simply cannot achieve

Ceramic Steel Pictures

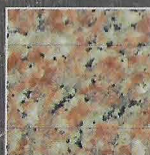

Ceramic steel pictures are extremely durable, devoid of fading or deterioration, and are guaranteed against defects in quality and workmanship for the lifetime of the memorial. You may choose color or black and white, and from several sizes and shapes (oval, rectangle, heart).

Flat Markers

Flat markers are an economical alternative to monuments. They are readable from a few feet away, making it an intimate and private reminder of a family's love and affection.

Traditional Monuments

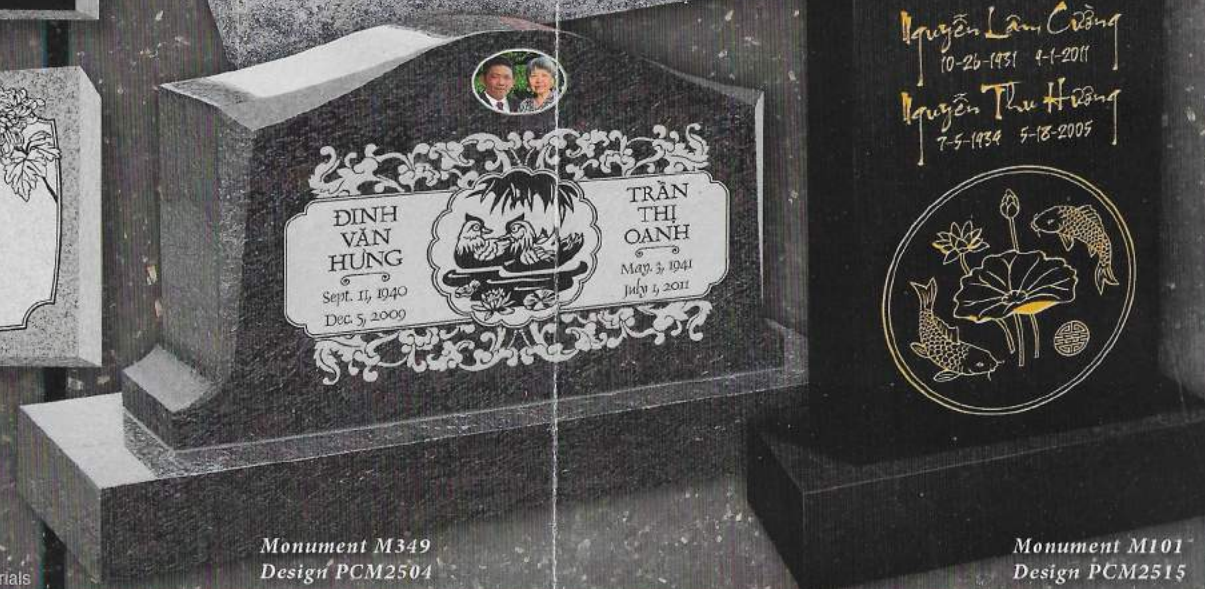

Upright Granite Monuments serve as lasting landmarks, pointing to the resting place of our loved ones. Our memorials are made to withstand the passage of centuries and provide a unique design that will honor the memory of the individual it represents.
